interior - turnkey

about us

Our company was established on 20 February 1999 with our mission to become a dynamic, creative and friendly interior design & interior decoration company whom our clients will always remember and think of us when they need any assistance.

With a group of our specialist who are well-trained and have high experience in this field, we have managed to gain trust from our clients who kindly allowed us to handle various projects for them, ranging from office buildings, public buildings, serviced apartments, condominiums, exhibitions and others. More importantly, We have managed to build very long lasting good relationship with our clients since the first day we worked together.

Our creativity, responsibility, punctuality, high commitment to our clients, satisfaction and sexiness of our work are our keys to success.
